MEMORANDUM FOR [REDACTED]  
Director, Intelligence Community Staff  
  
SUBJECT: Space-Related Studies

25X1

Attached is a list of seven studies that are either on-going or have been completed related to space. I would appreciate it if someone from your staff could forward these studies to me and provide short summary briefings of their contents. I would also appreciate your recommendations on which studies should be brought to the attention of Judge Clark and/or the SIG(Space).

A response by May 27 would be greatly appreciated.
